

Upper Klamath Basin Permitted Wells Summary

12/11/2013

Prepared in answer to three requests from Senator Doug Whitsett and Representative Gail Whitsett

1. Identify wells, ownership, depth, location, and authorized rates and acreages for 231 permitted wells that are within 1 mile of Upper Klamath or Agency lakes or in subbasins tributary to, these lakes.
2. Identify the subset of these wells that are listed on permits that contain a scenic waterway condition.
3. Identify the subset of these wells that are within 1 mile of Klamath Lake, Agency Lake, or within 1 mile of perennial gaining reaches of streams tributary to Upper Klamath Lake.
